

Congratulations Santa Rosa 150 YEARS

The great spirit of the people of Santa Rosa has served as an enduring force for good, from the city's earliest beginnings to today. Santa Rosa Memorial Hospital is proud and privileged to stand in community with the people of Santa Rosa. Our shared legacy of caring and improving the health and well-being of the people of Santa Rosa guides us in all we do and we look forward to many more years of compassionate service to this city we love.

Our thanks go out to the thousands of caregivers, volunteers and donors who call Santa Rosa home and who have dedicated their careers, time and resources to Memorial Hospital over the past several decades. Together, we share in the great and small historical changes that have made our community stronger. Thank you Santa Rosa, and "Happy Birthday!"

For 68 years, St. Joseph Health has partnered with our communities to meet the changing needs of all who make their home in Sonoma County and California's North Coast, including our most vulnerable neighbors. We benefit over 300,000 people in the area each year as we strive, through our growing network, to continually improve quality of life and foster the healthiest communities. This outreach annually includes:

28,133 YOUTH IN OBESITY PREVENTION AT SCHOOL.

- 4,645 Mobile Health Clinic visits in Petaluma, Santa Rosa, Windsor, and Boyes Hot Springs.

18,421 MOBILE AND FIXED SITE DENTAL PROGRAM VISITS.

- 2,334 people provided with education and health screenings.

6,026 HOUSE CALLS VISITS PROVIDED TO FRAIL, ELDERLY SENIORS AND ADULTS WITH CHRONIC DISEASES.

Milestones in Caring

Since Santa Rosa Memorial Hospital was established by the Sisters of St. Joseph of Orange in 1950, we have led the region in caring for all members of our community. New health services that we have brought to the community include:
