Honoring Students Who Volunteer

School

School

May 13, 2020 at 6:00 p.m. to watch the Facebook Live broadcast and videos announcing the winners.

As the school year draws to an end, high school seniors are taking exams, finalizing their college plans, and preparing to graduate into adulthood. The Nominees have added one more important activity to their list – service to their community. The Press Democrat's 32nd annual Celebrate Community Youth Service Awards honors more than 100 high school seniors throughout Sonoma County. Each student, nominated by their school counselor, presents their story of service to a panel of distinguished judges who select 10 to receive a \$2,000

In this challenging and uncertain time, we feel it is especially important to celebrate the outstanding work of these students. With the health and safety of the community as our top priority, all students will be honored through a Facebook Live awards ceremony, where 10

winners will be announced. Tune in to The Press Democrat Facebook page at www.facebook.com/pressdemocrat/videos on Wednesday,
